*Intranet Version CD ROM includes the entire slide presentations *plus* each cardiac lesion in the program is in a separate folder for easier review of specific lesions. The Intranet Version allows access from any computer linked to the hospital intranet. NOT licensed for use on the Internet. This is an excellent resource for bedside teaching, nursing orientation, and parent education. All slide presentations are copyright protected and packaged in SecurePack with PowerPoint Viewer 2003 which will provide the best PowerPoint version for viewing. **System requirements for either CD ROM: PC only – not MAC compatible. Windows 2000 or higher is required.**
